Performance figures are net of fees and expenses. 'Value added' calculation does not use rounded performance figures. Past performance is not indicative of future performance.

About the Fund?

The Bennelong ex-20 Australian Equities Fund primarily selects securities from the S&P/ASX 300 Accumulation Index, excluding the top 20 (typically holding 20-50 names).

The Fund offers genuine diversification and greater exposure to the rich opportunity set outside of the largest 20 securities, in order to add value and complement investors' existing Australian equities holdings.

Benefits of the Fund

- In comparison to the typical domestic core equity portfolio, the Fund offers genuine diversification and greater exposure to the rich opportunity set outside the top 20
- Track record of adding value by outperforming the market over the long term
- Managed in accordance with BAEP's robust, disciplined and proven investment philosophy and process

About BAEP

Bennelong Australian Equity Partners (BAEP) is a boutique fund manager investing in Australian listed equities. It was founded in 2008 by Mark East, in partnership with Bennelong Funds Management.

BAEP is a genuinely active, award-winning and highly-rated fund manager with an experienced and performance-oriented team. Its investment philosophy is to selectively invest in high quality companies with strong growth outlooks and underestimated earnings momentum and prospects. Its investment process is research-intensive, with a focus on proprietary field research, and is supported by macro-economic and quantitative insights.
