Bennelong ex-20 Australian Equities Fund

Performance update

As at 30 April 2019

About BAEP

Bennelong Australian Equity Partners (BAEP) is a boutique fund manager focused on Australian equities. It was founded in 2008 in partnership with Bennelong Funds Management. BAEP is a genuinely active fund manager with a consistent, disciplined and proven investment approach.

BAEP's investment philosophy is to selectively invest:

- in high quality companies;
- with strong growth outlooks; and
- underestimated earnings momentum and prospects.

BAEP's investment process is research-intensive with a focus on proprietary field research and is supported by macro-economic and quantitative insights.

About the Fund

The Bennelong ex-20 Australian Equities Fund typically holds 20-35 stocks across all but the top 20 stocks of the Australian share market.

Benefits of the Fund

- BAEP is an award winning and highly rated equities fund manager with an experienced and performance-orientated team.
- BAEP is a genuinely active and high conviction fund manager.
- The Fund is managed in accordance with BAEP's robust, disciplined and proven investment philosophy and process.
- In comparison to the typical domestic core equity portfolio, the Fund offers genuine diversification and greater exposure to the rich opportunity set outside of the largest 20 stocks.
- The Fund has a long term track record of adding value by outperforming the market over the long term.
